```
[ ]: #   Machine Learning Process -->
```

```
[ ]: #   Data Pre-Processing

     #   Import the data
     #   Clean the data
     #   Split into training & testing sets
```

```
[ ]: #   Modelling

     #   Build the model
     #   Train the model
     #   Make predictions
```

```
[ ]: #   Evaluation

     #   Calculate performance metrics
     #   Make a verdict
```
